## ABOUT ADVENTURE ROCKS

Adventure Rocks Pvt. Ltd. is established to organize cultural trips and adventure getaways for those travelers who look for more than sightseeing and shopping on their vacations.

For some peoples, it is the pleasure of long walks, for others it is the necessary break from the city grind and noise, for yet another group it is the necessary training for personal development or it could be pure soul searching.

Our main aim is to making your vacations an 'experience' rather than a journey.

We care about what we do for you, and you'll find the quality and level of service you expect. Whether you are on a holiday, a tour, picnic or a conference, School camps, our services are professionally designed, high in quality and cost effective, to enable you to fulfill your lifelong dream.

We also specializes in designing, manufacturing & marketing of products and services for outdoor adventure and travel. All products and services are designed with care & expertise of trained professionals and specialists in the field of adventure activity.

Our adventure camps are designed for the young explorers who want to experience the thrills of camping in true wilderness and challenging themselves on rock faces and learning bush craft.
